

The Electrical Insulation Association is holding its 12th International Electrical Insulation Conference (INSUCON) in Birmingham, UK, in May 2013

INSUCON will be held on 29 - 31 May 2013 at Austin Court, which is the Birmingham Centre for the Institution of Engineering and Technology (IET)

CONFERENCE OBJECTIVES

INSUCON 2013 will be the twelfth in the series and continues to promote its prime objective of advancing electrical insulation technology through new materials, improved processes, diagnostic procedures and innovative applications. The programme contains 57 papers, arranged into 11 sessions. More details can be found on the Insucon Conference website (www.insucon.org).

TECHNICAL PROGRAMME

Wednesday 29 May 2013

Conference Welcome by
Dr Jeremy Wheeler (Conference Chairman)

- Session 1: Rotating machines
- Session 2: High voltage measurements
- Session 3: Partial discharge measurements
- Session 4: Material processing & characterization

Thursday 30 May 2013

- Session 5: Transformer insulation
- Session 6: Rotating machines
- Session 7: Cable Insulation
- Session 8: High voltage measurements

Friday 31 May 2013

- Session 9: Ester dielectric fluids
- Session 10: Outdoor insulation
- Session 11: Material processing & characterisation

REGISTRATION

Delegates are invited to register for the Conference through the Conference website (www.insucon.org). A comfortable and modern tiered lecture theatre has been secured for the Conference. In the refreshment area, there will be companies exhibiting their products. A hot fork lunch with a vegetarian option will be provided free to each delegate and exhibitor each day. Delegates who register for 3 days will be given complimentary invitations to the Conference Dinner in Austin Court on Thursday 30 May. Other guests are welcome on payment of a fee.

Full instructions are given on the conference website of various payment methods and a secure encrypted link is provided for credit card payments. One day registration is available, except for students. Full-time students are offered a 3-day ticket at a greatly reduced price.

Delegates may check-in at the Conference Centre from 7.30 am on 29 May in the foyer of Austin Court on Cambridge Street. Delegates will be provided with a Conference folder containing a hard copy of the Conference Proceedings, a copy on a memory stick, a Conference dinner ticket (if appropriate) and other items. The Jury's Inn is convenient for delegates but a comprehensive list of local hotels is given on our website, together with a map showing the location of Austin Court and the nearest car parks and hotels.
